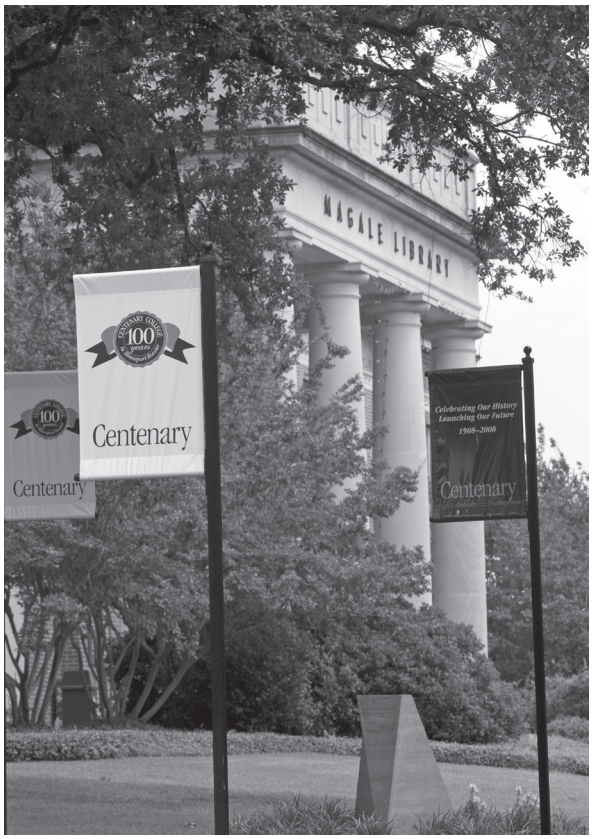
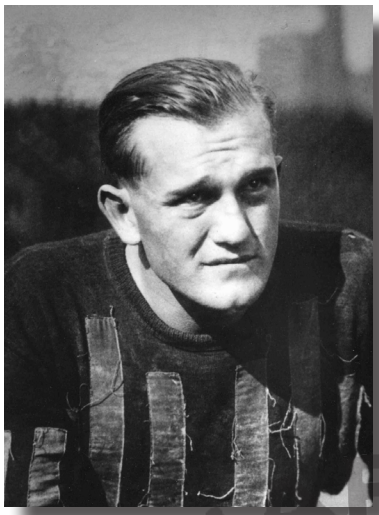
COLLEGE QUICK FACTS

- 70 full-time faculty members
- 93 percent of Centenary's tenure-track faculty hold a Ph.D. or the final degree in their field
- The faculty/student ratio: 10:1
- Average class size: 16



Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.



Carl Hubbard

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 45 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In September 2003, Parish was inducted into the National Basketball Hall of Fame.

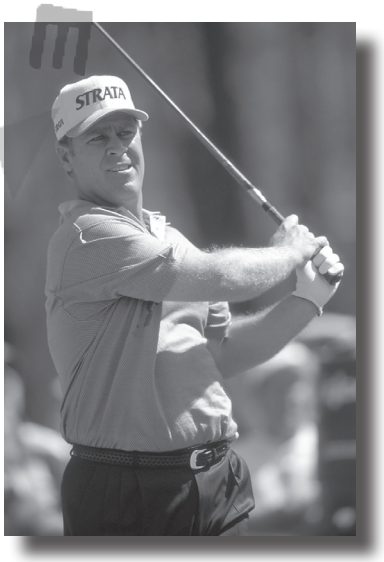
With its 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted, Arkansas, Nebraska, Texas A&M, and LSU in Shreveport.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, Centenary athletes have won the Summit League's prestigious Student Athlete of the Year award three times since joining the conference in the fall of 2003.

Hal Sutton

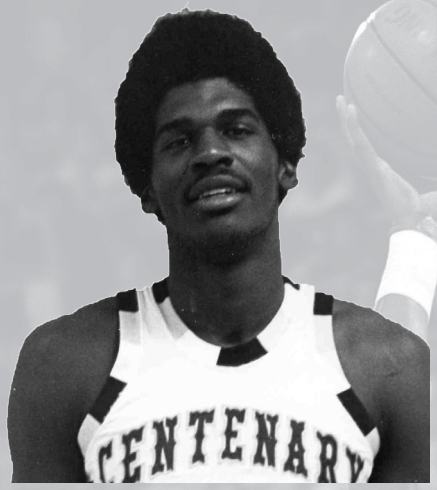


The history of the Centenary athletics nickname "Gentlemen" is quite unique. First established in the fall of 1921 by then-Centenary President George Sexton, it seems the football team had been in a fight the previous game, and Sexton sat the team down before the next game and told the players, "...from now on, you will all act like Gentlemen."

With the majority of Centenary men also soldiers, the moniker "Gentlemen" or "Gents" was a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in the football summary.

The nickname has stuck ever since and it was natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

robert "the chief" parish



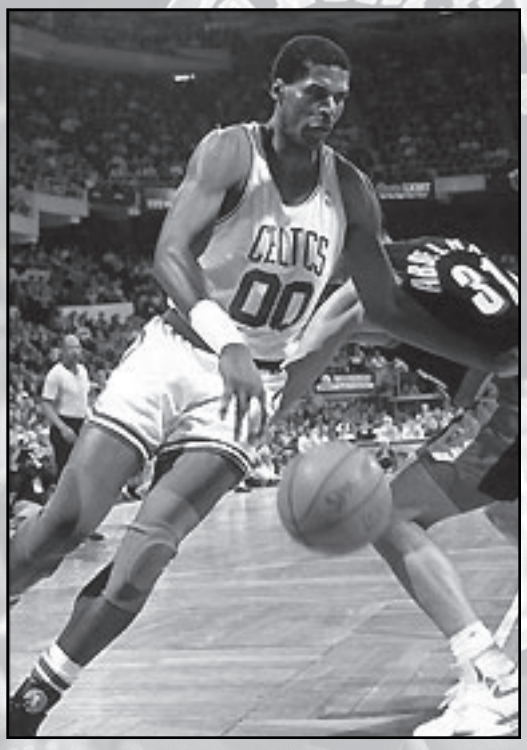
A five-time basketball All-American, Parish led Centenary to an 87-21 mark over four years (1972-1976) and brought national recognition to the Gents program. Behind the 7'1", 235-pound frame of Parish, Centenary broke into the Associated Press national poll at 19th and spent a total of 14 weeks in the Top 20, mostly during the 1975-76 season.

Parish was a dominant force on the basketball court as evidenced by the numerous records he still holds today. He ranks at the top of 12 Centenary all-time lists including most points in a game (50), most field goal attempts in a game (37), most field goals made in a game (25), most rebounds in a game (33), season (505), and career (1,820), highest single-season (18.7) and career (16.9) rebounding average, and most blocked shots in a game (10) among others. Parish holds the 10 best single-game rebounding efforts in school history and claims 16 of the top 22 overall. His four years playing in the maroon and white still serve as the top four single-season rebounding averages.

Parish was drafted by the Golden State Warriors and played 21 seasons in the NBA. "The Chief" as he was called, helped the Boston Celtics to three NBA Championships, was selected to nine All-Star games and was named one of the 50 Greatest Players in NBA History in 1996. His trademark jersey number 00 has been retired by both Centenary and the Boston Celtics.

Robert Parish's Accomplishments at Centenary

- Robert led the 1973-74 Gents to a 21-4 record and the school's first-ever national ranking in the Top 20.
- His 1974-75 team was also ranked in the Top 20 nationally and posted a school-best record of 25-4.
- The 1975-76 Gents ranked in the Top 20 nationally for 11 weeks and finished ranked 19th with a mark of 22-5.
- During Robert's career, the Gents defeated high profile schools such as Indiana State, Arkansas, Hawaii, Texas, and Houston while suffering close losses to Arizona and Arizona State.
- Robert scored a total of 2,334 points in 108 games in his Centenary career for an average of 21.6 points per game, which still ranks third in school history.
- He collected a Centenary-best 1,820 rebounds in his career. That total is still over 800 rebounds better than the next closest Gent today.
- He scored more than 36 points three times in his career and grabbed better than 20 rebounds on 16 occasions.
- Robert owns the four-best single-season rebounding averages in school history at 18.7, 18.0, 15.4, and 15.3 rpg.
- Perhaps one of the best senior seasons of any player, Robert averaged 24.8 ppg and 18.0 rpg in his final season in a Gents uniform.
- For his career, Robert averaged a double-double of 21.6 ppg and 16.9 rpg.



historical greats

Centenary may be one of the smaller Division I schools in the nation, but that has not stopped the professional scouts from coming to the Gold Dome. Overall, 12 Gents players have been drafted in the NBA or ABA and recent players such as Andrew Wisniewski and Ronnie McCollum have attracted national attention. Scores of former Centenary basketball players have also enjoyed successful playing careers in Europe. Two of Centenary's more famous NBA alums include Robert Parish (Boston, Charlotte, Chicago) and Larry Robinson (Golden State, Washington, Boston, Houston, Vancouver, Cleveland, Atlanta, New York).

THE SUMMIT LEAGUE

The 2009 Summit League Basketball Championships set a new attendance record with 34,681 specators and reached record levels of corporate sponsorship in its first year in Sioux Falls, S.D.

Now in its 28th year as an NCAA Division I athletics conference, The Summit League continues its renaissance and ascent both on the playing field and in the classroom. The 2008-09 academic year saw the league reach numerous milestones among its 10 member institutions and 19 championship sports.

The Summit League made history during its 2009 Basketball Championships with record crowds and sponsorship totals in its first season in Sioux Falls, S.D. New attendance standards were established for the entire tournament, the women's tournament and several individual sessions. On the court, the North Dakota State men and South Dakota State women both achieved the rare feat of earning an automatic NCAA bid in their first season of eligibility.

Netting the NCAA's largest men's basketball attendance increase during the 2008-09 season further illustrated the growth and excitement surrounding Summit League basketball. The league ranked 16th nationally, up six spots over the previous year, and increased its crowds at a rate of 30 percent per game.

While basketball played a major part of the league's success, significant Summit League achievements spanned beyond the hardwood.

An unprecedented total of three Summit League teams ended their 2008-09 seasons with a national ranking. North Dakota State's softball team ended the year ranked No. 18 in the ESPN.com/USA Softball poll after capturing the league's first NCAA Regional title in a decade and becoming the first Summit League team to reach the Super Regional round. South Dakota State's women's basketball team earned a No. 19 ranking in the final *USA Today*/ESPN Coaches' poll after peaking at No. 14 during the season and posting a first-round victory in the NCAA Tournament. The Oakland men's soccer team finished at No. 30 in the College Soccer News poll after reaching the No. 24 position earlier in the season and becoming The Summit League's first top-25 soccer squad.

The NDSU softball and SDSU women's basketball teams were just part of The Summit League's postseason success that saw a combined seven NCAA Tournament wins. SDSU notched the league's first NCAA women's soccer tournament victory with a first-round win. Oral Roberts claimed a pair of baseball victories in the Tempe Regional to finish as runner-up. The Summit League sent two teams to the NCAA Men's Soccer Tournament for the first time since 2003, and the third time in history. Additionally, Oakland's men's basketball team hosted and won its first round game in the inaugural CollegeInsider.com Postseason Tournament.

Individually, North Dakota State's Laura Hermanson recorded the league's best women's track and field finish with a runner-up performance in the 800 meters at the NCAA Outdoor Championships. Also in June, Western Illinois' golfer Kyle Peterman won a qualifying playoff to earn an amateur spot in the 2009 U.S. Open. During the basketball season, Oakland's Johnathon Jones was the NCAA assists leader and became the fourth player in league history, and first in 10 years, to lead the nation in a major statistical category.

In the classroom, a Summit League record 13 student-athletes were recognized as Academic All-Americans, including North Dakota State basketball player Brett Winkelman, who was selected as the University Division Academic All-American of the Year. Oakland basketball player Jessica Pike also garnered a top academic honor for her sport and was named the Division I-AAA Athletics Directors Association Scholar-Athlete of the Year.

Six Summit League teams were bestowed with the NCAA Public Recognition Award, an honor given to teams that have a Division I Academic Progress Rate (APR) in the top 10 percent of all squads in their respective sports. Receiving the accolade was IPFW's men's cross country and volleyball teams, UMKC's volleyball and women's tennis teams, Oakland's women's golf team and South Dakota State's men's golf team.

The achievements during the 2008-09 academic year carried over from the summer when a pair of former Summit League student-athletes gained individual acclaim on the world stage. Former Oral Roberts student-athlete Andretti Bain won a silver medal at the 2008 Beijing Olympics as a member of the Bahamas' 4x400-meter relay team after having claimed both the NCAA Indoor and Outdoor 400-meter titles earlier in the year. Former IUPUI standout George Hill became The Summit League's second NBA first round draft pick when he was selected 26th by the San Antonio Spurs after garnering Summit League Player of the Year honors.

Originally formed in 1982 as the Association of Mid-Continent Universities and later known as the Mid-Continent Conference, The Summit League is in its third year of a rebranding that followed its 25th anniversary and coincided with the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all league student-athletes. Included in the plan was the league's new name, the creation of a new image and the addition of three member institutions.

One of the Summit League's most iconic moments came when Valparaiso's Bryce Drew hit "the shot", a game-winning three-pointer at the buzzer, to top Mississippi in the first round of the 1998 NCAA Tournament. Valpo's story captivated the nation as they became the league's second team to reach the "Sweet 16."

The 10 Summit League member institutions include Centenary College of Louisiana, IPFW (Indiana University-Purdue University-Fort Wayne), IUPUI (Indiana University-Purdue University-Indianapolis), UMKC (University of Missouri-Kansas City), North Dakota State University, Oakland University, Oral Roberts University, South Dakota State University, Southern Utah University and Western Illinois University.

In April 2009, the University of South Dakota accepted an invitation to join the league with full membership during the 2011-12 academic year and will begin as an associate member for swimming and diving in 2009-10. The league has one other associate member, Eastern Illinois University, which competes in swimming and diving.

These member institutions pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Summit League sponsors 19 championship sports, which include: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's indoor track and field, men's and women's outdoor track and field, men's and women's tennis, and volleyball. The league champion receives automatic bids to the NCAA Tournament in all applicable sports.

Since its inception in 1982, The Summit League has had several transcendent moments on the national stage. In 1986, Cleveland State upset third-seeded Indiana in the first round of the NCAA Men's Basketball Tournament on its way to a berth in the Sweet 16. A decade later, Valparaiso captured the nation's attention when Bryce Drew hit "the shot" to defeat No. 4 seed Mississippi in an NCAA first-round game and spark its Sweet 16 run. More recently, Oral Roberts' baseball program finished the 2004 campaign with a national-ranking and became the first Summit League school to reach the NCAA Super Regionals in 2006.

The league has produced four Olympic athletes, four NCAA champions and several All-Americans in the sports of track and field, swimming and diving and cross country. Numerous professionals and several draft choices have come directly from The Summit League, including three Major League Baseball first round picks, a pair of NBA first rounders and one WNBA selection. Former Summit Leaguers Kevin Duckworth (NBA) and Kevin Seitzer (MLB) each were two-time all-stars during their professional careers.

Recent and historical success coupled with an increased growth among its membership base gives The Summit League a promising future on the landscape of college athletics.

DR. TOM TALLACH

[Director of Athletics]

Dr. Tom Tallach has served as Centenary's Director of Athletics since Fall 2007.

Since his arrival, the Gents and Ladies have seen major changes to their surroundings. The Gold Dome has a new hardwood floor, new premium seating, a new public address system, and a new weight room. The tennis courts have been resurfaced and new screens and nets are being installed. The softball facility has new dugouts, a new backstop, and a new public address system.

These and numerous other improvements were made possible because of a dramatic increase in booster support. Tallach has high expectations for himself as well as for Centenary's student-athletes, coaches, and other staff.

Tallach re-joined the Centenary community after most recently serving as Assistant Athletic Director at Tarleton State University. At Tarleton, he organized and administered a comprehensive compliance program for the institution, taught graduate and undergraduate courses, and provided administrative leadership and training for many of the sports programs. He served on NCAA regional tournament committees in women's basketball and softball and delivered compliance presentations to regional and national audiences.

With the exception of a two-year period that included doctoral research, work in the family business, and basketball coaching at Ouachita Baptist University, Tallach spent twelve years at Texas A&M-Commerce.

He began as a graduate teaching assistant and assistant men's basketball coach for a struggling Lions team that would win the Lone Star Conference (LSC) Championship two years later.

He then served as Assistant Athletic Director and faculty member in the Department of Health, Kinesiology, and Sports Studies. With primary responsibility for event management, compliance, and athletic scholarship administration, he also served as the Athletic Director for UIL (Texas High School Federation) Region II, administering championship competition in volleyball, basketball, track & field, tennis, and golf. He was later named Interim Athletic Director at the University.

Under his leadership, the Lions claimed LSC Championships in men's basketball and women's soccer, three coaches were named LSC Coach of the Year, and one coach was named Texas Association of Basketball Coaches Coach of the Year. He served on two NCAA regional tournament committees in women's soccer in addition to serving as Director of the 2005 NCAA Men's Basketball Regional Tournament.

During his tenure in Commerce, he was involved in and/or responsible for numerous facility improvements, served on many institutional committees including SACS re-accreditation, chaired the LSC Compliance Committee, helped guide the Athletic Training Education Program to national certification, and always taught at least one academic course.

A former Gent pitcher (Class of 1993), Tallach was named to the Trans-America Athletic Conference (TAAC) All-Academic Team, graduated Magna Cum Laude, was President of the Student Athlete Advisory Committee, and received the Health & Exercise Science Award. The '92 and '93 Gents captured TAAC Western Division Titles under head coach Andy Watson.

Tallach resides in Shreveport with his wife Gabriela and son Grant.

Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

DUSTIN BRADSTREET
[Athletic Trainer]

Dustin Bradstreet enters his seventh year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Edwards, Bradstreet and Peck also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

[head coach] GREG GARY

Second Season at Centenary [Tulane, 1992]

Greg Gary begins his second year as the head coach of the Centenary men's basketball program. Gary took over the reigns of the Centenary program last season and is the 20th head coach in the 85-year history of men's basketball on the campus of Centenary College.

Finishing with a Summit League record of 6-12 and advancing to the conference tournament in his first season, Gary's team had a four-game win streak in league play mid-way through the season, which was a season-best since joining the league in 2003-04. In the four previous seasons prior to Gary's arrival, the Gents had only won 10 conference games combined, which allowed Gary to come in and rebuild a thriving basketball program.

Gary came to Centenary after a one-year stint at Duquesne and a three-year stay at South Florida prior to that, brings 16 years of experience to the Gents program, all at the Division I level.

In his one season at Duquesne, Gary was part of a staff that led the Dukes to their first winning season since 1993-94 - and second in 22 years - with a 17-13 record in 2007-08. The '08 Dukes finished the season ranked in the top 10 nationally in four statistical categories: assists/g. (3rd), blocks/g. (3rd), scoring (5th) and steals (9th). The 82.3 points per game scoring average was the highest by a Duquesne team since 1974-75.

Gary spent six seasons as an assistant in the Big East at Miami (2000-01 to 2003-04) and USF (2004-05 to 2006-07, note: USF competed in Conference USA in 2004-05) prior to his arrival at Duquesne. No stranger to the state of Louisiana, he began his coaching career at Tulane (1993-94 to 1996-97) and returned to the Green Wave for two more seasons (1998-99 to 1999-00) after spending a year at McNeese State (1997-98).

Under head coach Perry Clark at Miami in 2000, Gary's responsibilities extended beyond on-floor coaching. At Miami, Gary supervised the academic program for the team and coordinated the offensive sets.

Gary assisted in developing a Miami program that reached the National Invitation Tournament in 2001 and the NCAA Tournament in 2002. En route to the NCAA appearance, the Hurricanes collected a school-record 24 victories. His recruiting efforts laid the groundwork for Miami's highly-respected 2006-07 backcourt.

In his second coaching stint at Tulane (1998-2000), Gary helped coach a team that reached the NIT in 1999 and 2000, working as the recruiting coordinator and academic coordinator in addition to his on-floor coaching duties.

During his first four-year tenure (1993-97) on Clark's staff at Tulane, the Green Wave went to the postseason each year, including an NCAA bid in 1995 and three NIT appearances (NIT Final Four in 1996).

Gary has accompanied teams to a total of eight post-season appearances and recruited or coached eight players who have spent time on NBA rosters.

A native of basketball-rich Anderson, Ind., Gary played point guard for three seasons at Tulane (1989-90 to 1991-92), where he helped revive the Green Wave program after the school had dropped basketball in 1985. Recruited to Tulane by then assistant Ron Everhart, Gary finished his career as Tulane's all-time assist leader. He capped his career by helping lead the Green Wave to its first NCAA Tournament appearance in 1992.

Gary graduated from Highland High School in Anderson, Ind. in 1988 prior to enrolling at Aquinas College in Nashville, Tenn. which was a junior college at the time. He transferred to Tulane following his freshman season.

Gary completed his bachelor's degree in sports management at Tulane in 1992.

Gary and his wife, Claudia, have three daughters, Gabrielle, Logan and Alexandra.

Here he coached his team to ninth in the nation and hosted a television show on HBO about the school as well as acted as the Director of Operations, handling team budget, schedules and housing.

During each of those two coaching stints, Koundoul coached and promoted athletes to reach a high level of play in the NCAA. He coached current Centenary student-athlete Daman Starring during his time at Summit College Prep.

Koundoul became a graduate assistant coach and video coordinator for his alma mater, Cleveland State University in August of 2005. In this role, Koundoul was responsible for editing game tapes, assisting with individual workouts, managing office affairs as well as serving as the Co-Director of Michael Garland Basketball Camp.

Koundoul graduated from Cleveland State in May 2005 with a Bachelor of Art and Science degree in Communication. As a player in 2002-03, Koundoul served as the Team Captain of Rookie World Basketball at the Dallas Mavericks. He also was invited and participated in the Cleveland Cavaliers Summer workout in 2003. Koundoul played one year of junior college basketball at Vincennes University in Indiana during the 2000-01 season, and then at Highland Community College in Illinois where he won the regional championship in 2001-02.

A native of Dakar-Senegal, Africa, Koundoul and his wife, Tara reside in Shreveport.

ASSISTANT COACH

Walsh is in his third year as an assistant on the Centenary men's basketball coaching staff. His duties in the Gents program include recruiting and coordinating academic support systems for the student-athletes. Walsh's on-court responsibilities will include the development of the guards.

Along with his coaching duties, Walsh has been recently named Assistant Athletic Director for Compliance. His role will consist of compliance, game day management and the SAAC supervisor.

Walsh joined the Centenary program directly from Paris Junior College where he assisted the Dragon program from 2006-07. He was in charge of recruiting, post-skill development, and strength and conditioning among other duties.

During his stint at Paris Junior College, Walsh helped first-year head coach Ross Hodge lead the Dragons to a 26-4 record and TEAC "Coach of the Year" honors. He also helped develop two junior college All-American forwards in Ramon Clemente (06-07) and Eric Tramiel (07-08) and recruited Raymond Sims, among others, who would lead the Dragons to 57 wins in two years at the point guard position.

Prior to his time at Paris, Walsh spent the 2005-06 season as the assistant at Odessa College under Dennis Helms. From 2003-05, Walsh took on the role as assistant coach under Ronnie Arrow at Texas A&M-Corpus Christi.

While with the Islanders, the team notched its first winning season at 15-11 and followed that performance up with a 20-8 record in the 2004-05 season, which garnered Arrow Independent "Coach of the Year" honors.

For the 2001 through 2003 seasons Walsh was an assistant coach for Division II program, Barton College, under Ron Lievense. The 2002-03 team notched a mark of 22-6 and was ranked #24 in the nation as Lievense went on to accept CVAC "Coach of the Year" honors. That year the Bulldogs won their first NCAA Tournament game in school history, which helped pave the road to their 2007 National Championship. Walsh recruited two members of that title team during his time at Barton College and helped to develop First Team All-American guard, Tim Black.

Walsh's first experiences with collegiate basketball came during his managerial days. He served as a graduate manager at Campbell University and before that was the head manager during his undergraduate studies at High Point University.

Camps are always a valuable teaching experience for coaches and Walsh is no stranger to the camp circuit. He has participated in camps conducted by Florida, Maryland, Virginia, Campbell, East Carolina, and Tennessee Tech among others.

Walsh hails from Winchester, Virginia and is the son of Nancy and Phil Walsh. Walsh was a 2000 graduate from High Point University and graduated from James Wood High School.

Chris brings a great amount of experience in developing players into better athletes. Also, with him being an ex-player who led his team to championships and an NCAA berth, he understands the work ethic involved with being successful." -Gary
